Optional feedback for teams:

Valuable insights or suggestions related to the team's projects and activities:

Super work applying a collaborative approach! Your team did an excellent job completing a needs assessment and taking the target audience through comprehensive and interactive learning experiences. However, your team did not successfully prove if/how capacity was built and there was no mention of the next step in several of the projects. The projects seem to illustrate potential, but it can only be proven by making strong strides toward empowering the beneficiaries.

Constructive feedback on the team's ability, presentation and communication skills:

Great visual presentation! Presenters seemed very natural and poised. Nice job connecting the dots for the judges. Your Annual Report is well organized but hard to read. Try to summarize your projects in a concise manner.
